

COMMUNICATOR PROSTITUTES (3/22/86)

They teach us to fear Sandanistas
But they will not teach the
History of Sandino.

They teach us that we "lost" Vietnam
But they refuse us a word
of 40 years of Vietnamese bleeding,
In a final war
To win freedom from colonialism.

They teach us about "terror"
And suffering under Communist dictatorship
Because they are unable to tell,
--or even admit to themselves--
The infernal hell
into which Capitalism now leads us,
Blindfolded.
